

Cucumber Report

30 Jun, 2023 10:11:45 AM

Start : Jun 30, 9:30:52.738 AM

End : Jun 30, 10:11:41.639 AM

Duration : 40 m 48.901 s

Features

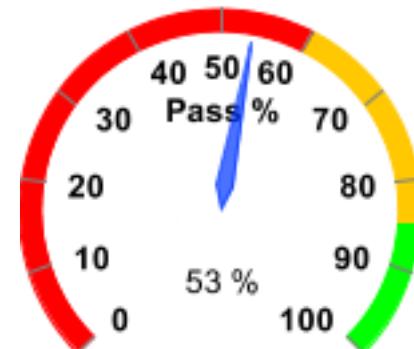

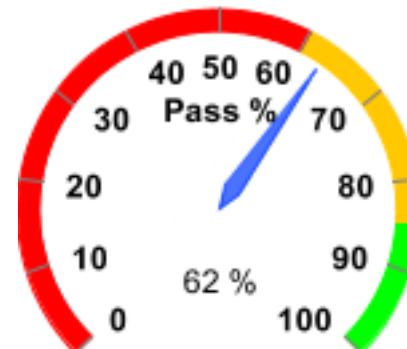

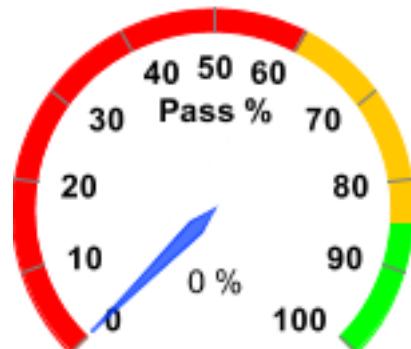

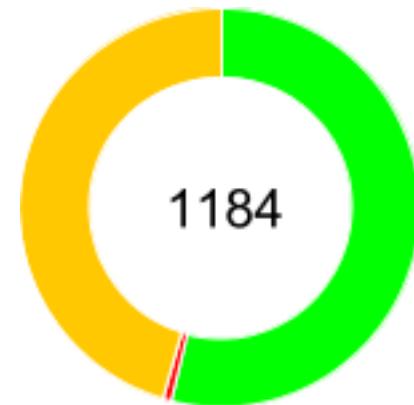

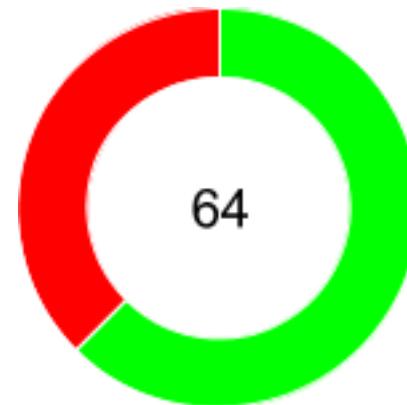

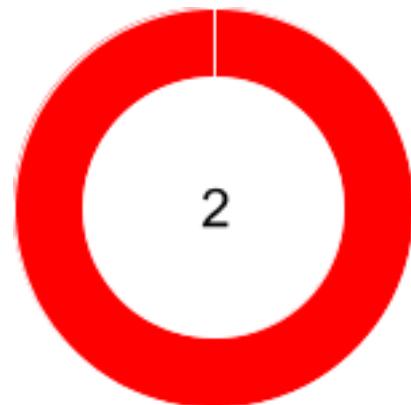

PASSED - 0
FAILED - 2
SKIPPED - 0

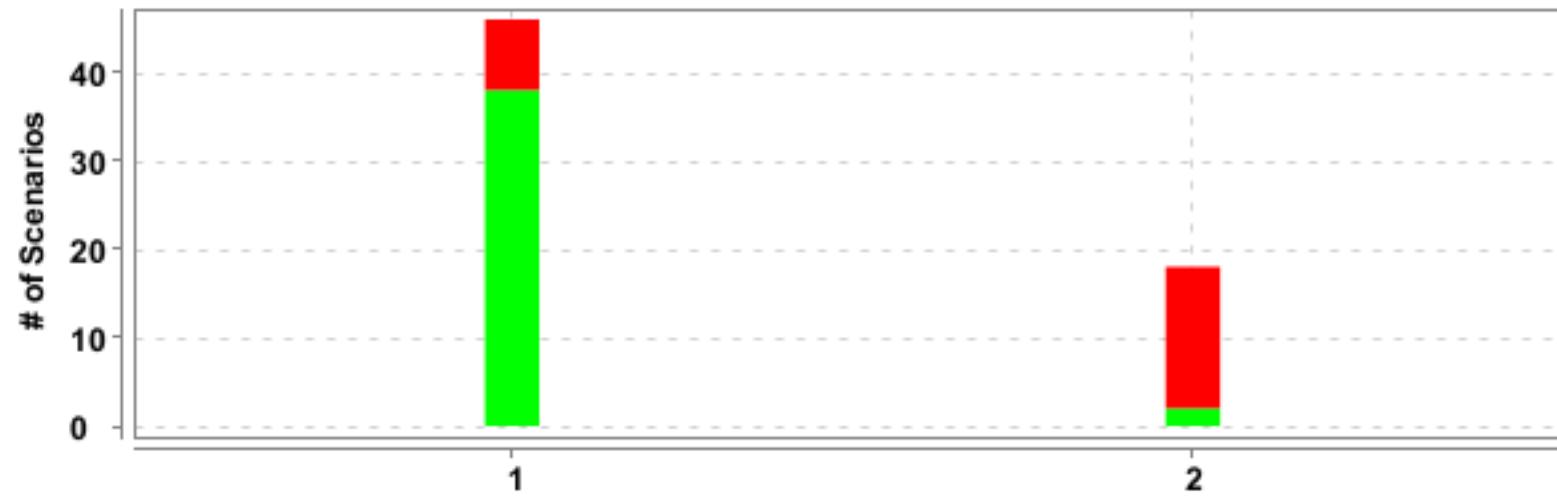

Scenarios

PASSED - 40
FAILED - 24
SKIPPED - 0

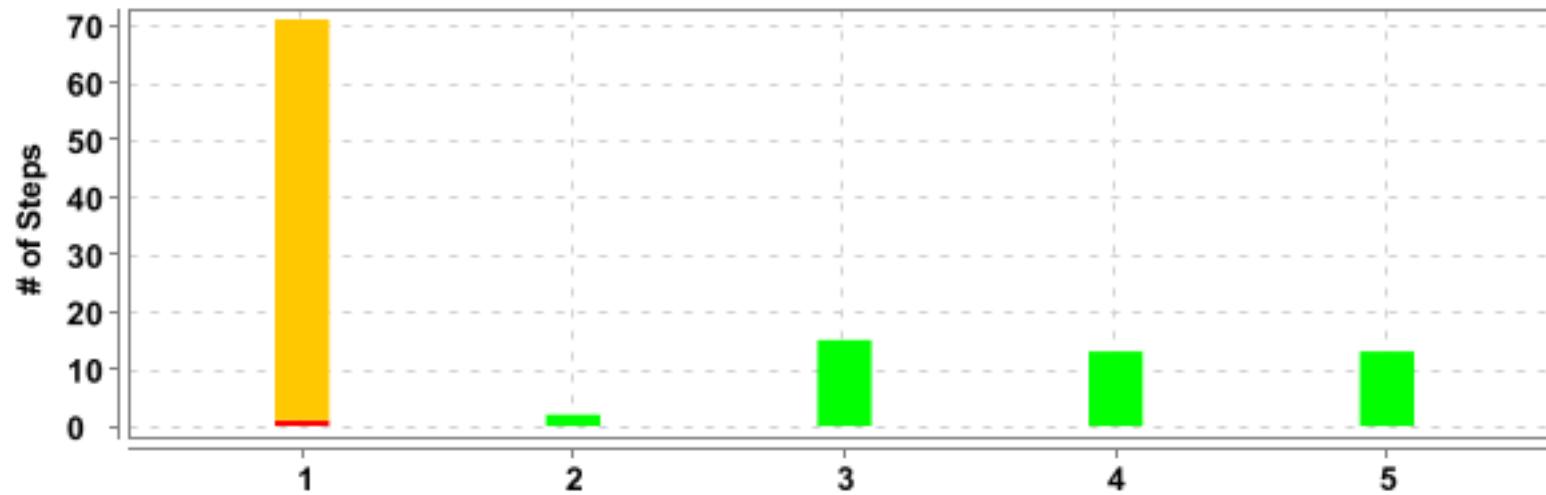

Steps

PASSED - 639
FAILED - 8
SKIPPED - 537

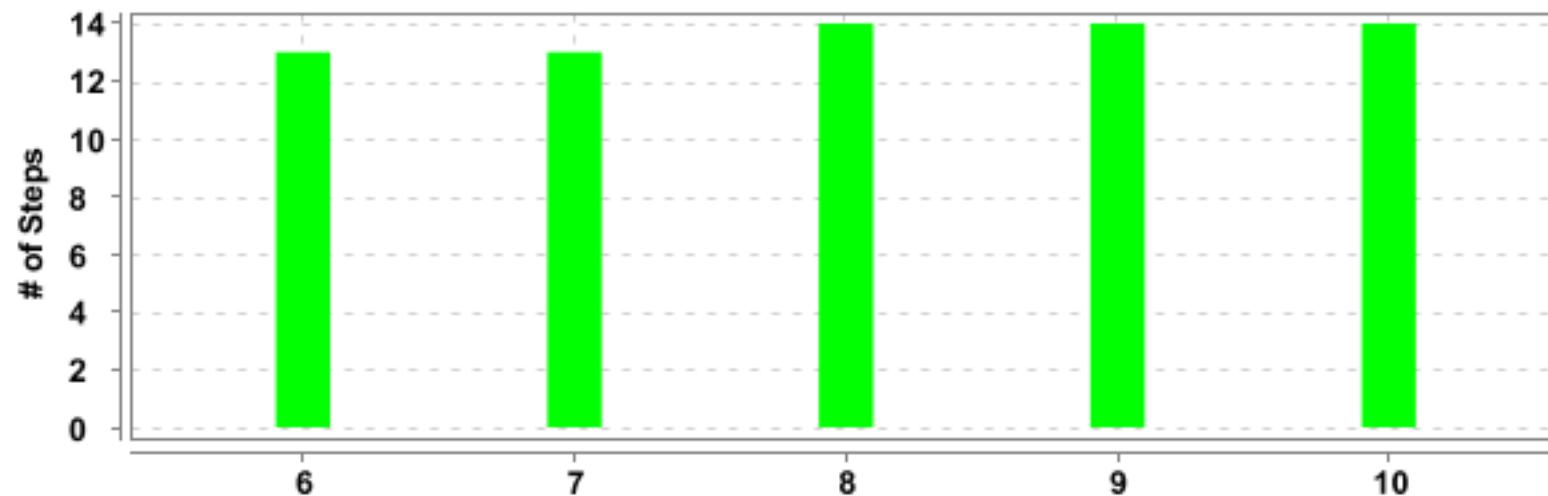

#	Feature Name	T	P	F	S	Duration
1	<u>Validate all users create users page functionality</u>	46	38	8	0	37 m 15.517 s
2	<u>Validate all user action options edit or update user page functionality</u>	18	2	16	0	3 m 32.917 s

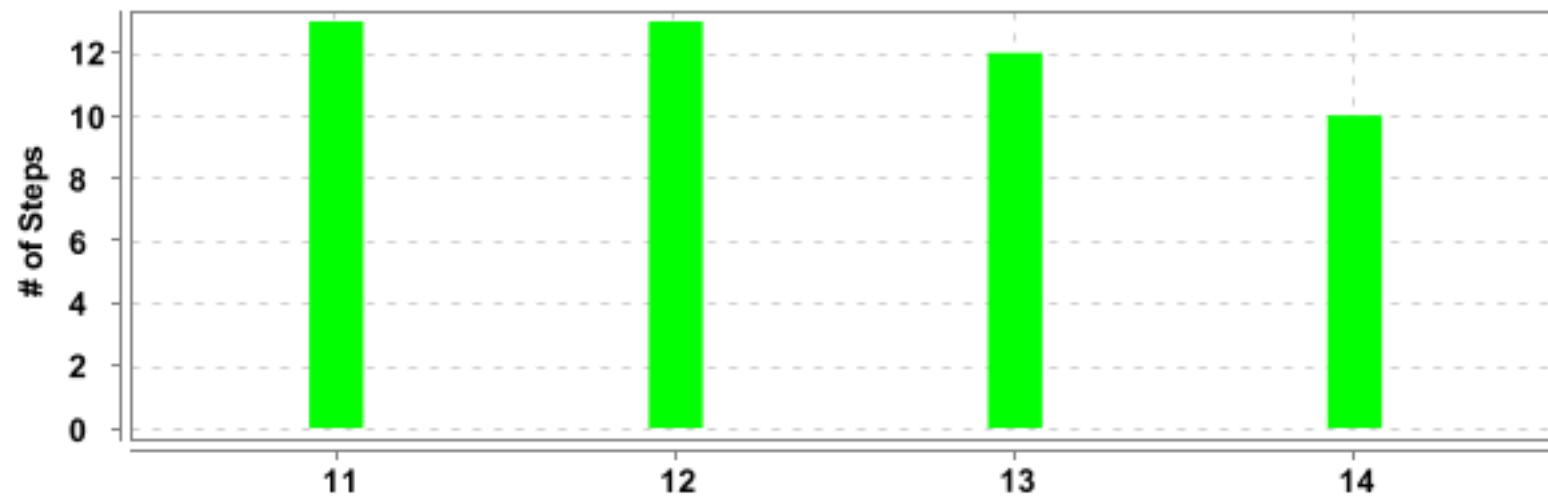

#	Feature Name	Scenario Name	T	P	F	S	Duration
1	<u>Validate all users create users page functionality</u>	Validate that elements are present in all users create users page	71	0	1	70	1 m 12.387 s
2	<u>Validate all users create users page functionality</u>	Validate that working of an breadcrumb in all users create users page	2	2	0	0	15.222 s
3	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential from administrator users all users create users *	15	15	0	0	35.800 s
4	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential but missing first name from administrator users *	13	13	0	0	26.041 s
5	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential but missing last name from administrator users *	13	13	0	0	24.318 s

* The feature name and/or scenario name has been cropped to fit in the available space.

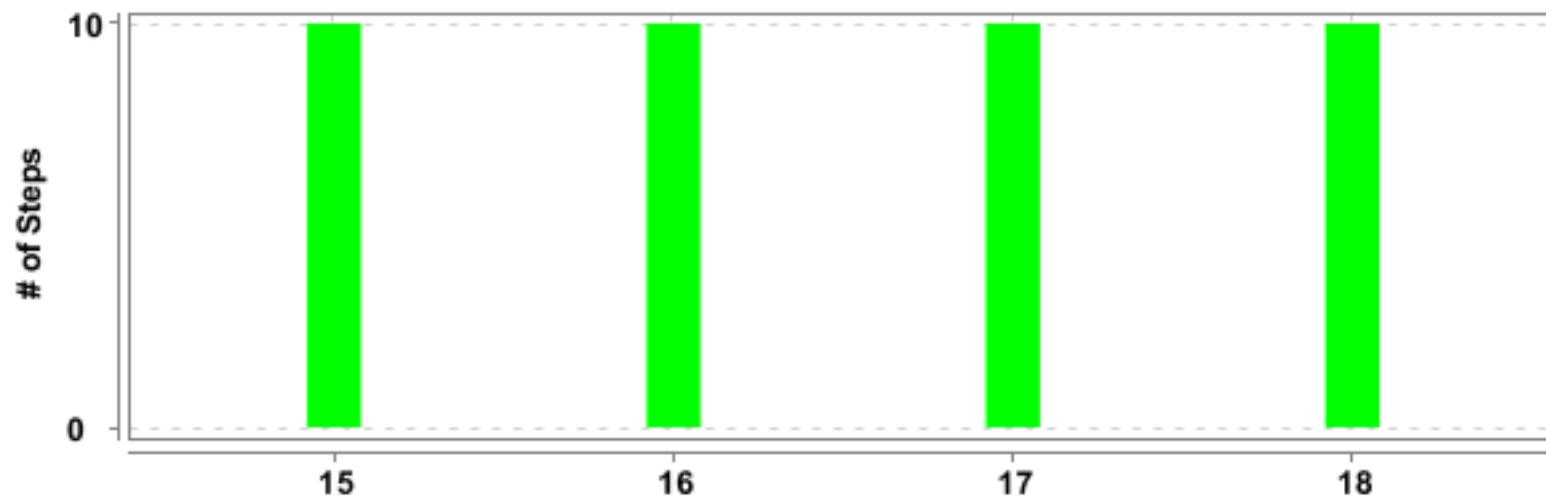

#	Feature Name	Scenario Name	T	P	F	S	Duration
6	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential but missing email from administrator users all *	13	13	0	0	23.912 s
7	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential but missing mobile number from administrator *	13	13	0	0	25.566 s
8	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential but missing DOB from administrator users all *	14	14	0	0	35.595 s
9	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential but missing profile image from administrator us *	14	14	0	0	32.180 s
10	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential but missing gender selection from administrator *	14	14	0	0	33.632 s

* The feature name and/or scenario name has been cropped to fit in the available space.

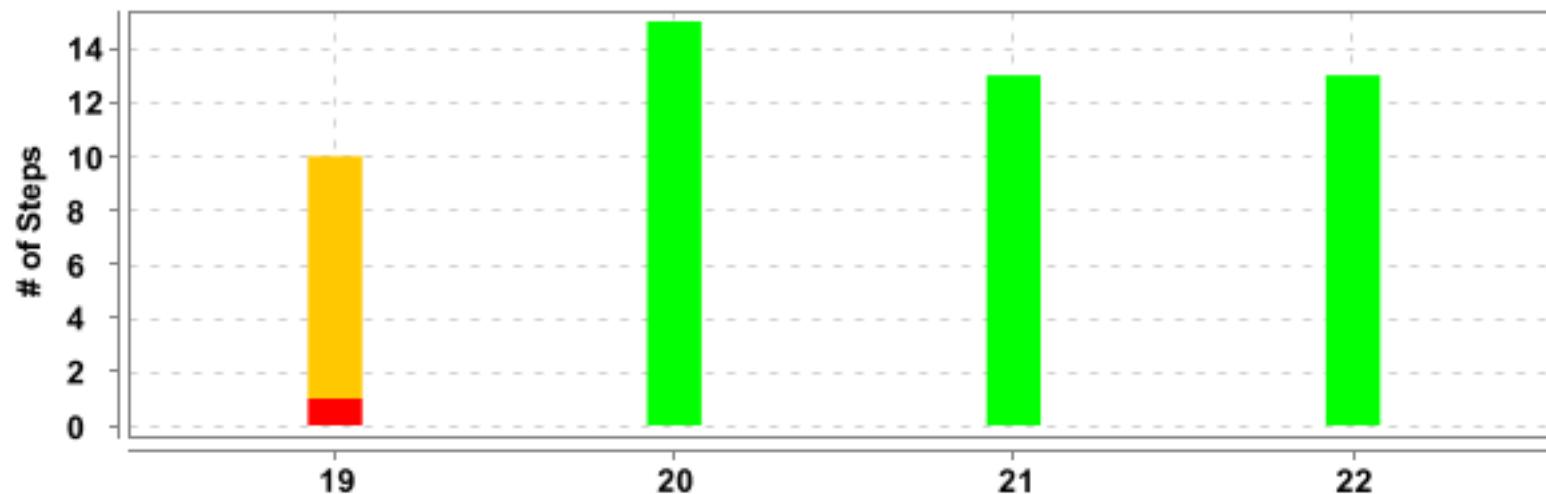

#	Feature Name	Scenario Name	T	P	F	S	Duration
11	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential but missing password from administrator users *	13	13	0	0	31.067 s
12	<u>Validate all users create users page functionality</u>	Validate that create super admin user with all valid credential but missing comfirm password from administrator *	13	13	0	0	33.946 s
13	<u>Validate all users create users page functionality</u>	Validate that create super admin user with required valid credential from administrator users all users create users *	12	12	0	0	37.996 s
14	<u>Validate all users create users page functionality</u>	Validate that create super admin user with required valid credential but missing first name from administrator users *	10	10	0	0	22.190 s

* The feature name and/or scenario name has been cropped to fit in the available space.

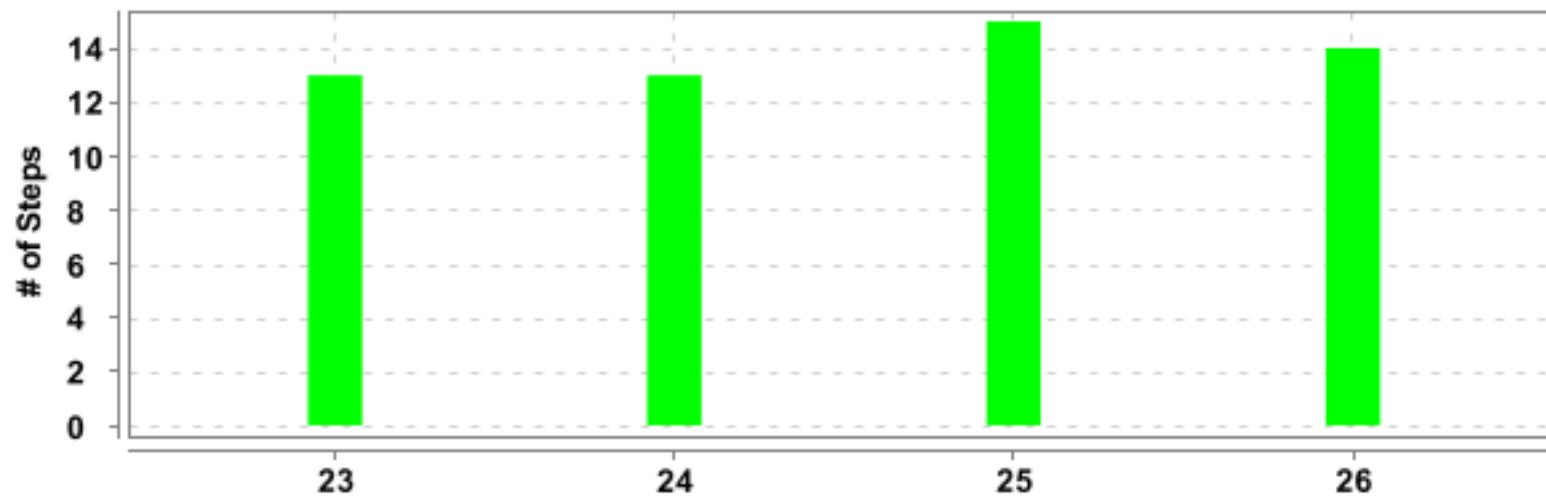

#	Feature Name	Scenario Name	T	P	F	S	Duration
15	<u>Validate all users create users page functionality</u>	<u>Validate that create super admin user with required valid credential but missing last name from administrator users *</u>	10	10	0	0	27.978 s

#	Step / Hook Details	Status	Duration
1	Given Verify that user is on the administrator dashboard users all users create user page as expected page title "Shield" <code>verify_that_user_is_on_the_administrator_dashboard_users_all_users_create_user_page_as_expected_page_title</code>	PASSED	14.684 s
2	Then Verify that user enter the first name as "Kumar" in create user page <code>verify_that_user_enter_the_first_name_as_in_create_user_page</code>	PASSED	0.226 s
3	Then Verify that user enter the last name as "Deshmane" in create user page <code>verify_that_user_enter_the_last_name_as_in_create_user_page</code>	PASSED	0.196 s
4	Then Verify that user enter the email as "kumar.deshmane@iffort.com" in create user page <code>verify_that_user_enter_the_email_as_in_create_user_page</code>	PASSED	0.560 s
5	Then Verify that user select the country code "UAE" in create user page <code>verify_that_user_select_the_country_code_uae_in_create_user_page</code>	PASSED	0.250 s
6	Then Verify that user enter the mobile number as "987650009" in create user page <code>verify_that_user_enter_the_mobile_number_as_in_create_user_page</code>	PASSED	0.184 s
7	Then Verify that user enter date of birth as "10/10/1925" in the create user page <code>verify_that_user_enter_date_of_birth_as_in_the_create_user_page</code>	PASSED	0.980 s
8	Then Verify that user send the profile image as jpg in create user page <code>verify_that_user_send_the_profile_image_as_jpg_in_create_user_page</code>	PASSED	1.061 s
9	Then Verify that user select the gender as male from the radio button in create user page <code>verify_that_user_select_the_gender_as_male_from_the_radio_button_in_create_user_page</code>	PASSED	0.159 s
10	Then Verify that user enter password as "Admin@1234" in the create user page <code>verify_that_user_enter_password_as_in_the_create_user_page</code>	PASSED	0.370 s
11	Then Verify that user enter confirmed password as same as "Admin@1234" in the create user page <code>verify_that_user_enter_comfirmed_password_as_same_as_in_the_create_user_page</code>	PASSED	0.358 s
12	Then Verify that user select the assigned role as "Admin" in the create user page admin <code>verify_that_user_select_the_assigned_role_as_super_admin_in_the_create_user_page_admin</code>	PASSED	0.184 s
13	Then Verify that the user submit the button should create a new user in the all users page <code>verify_that_the_user_submit_the_button_should_create_a_new_user_in_the_all_users_page</code>	PASSED	2.109 s
14	Then Verify that search button is able to search the user with "kumar.deshmane@iffort.com" name of user in all users page <code>verify_that_search_button_is_able_to_search_the_user_with_name_of_user_in_all_users_page</code>	PASSED	6.074 s
15	Then Verify that user should be able to delete the user from the all users page <code>verify_that_user_should_be_able_to_delete_the_user_from_the_all_users_page</code>	PASSED	3.585 s

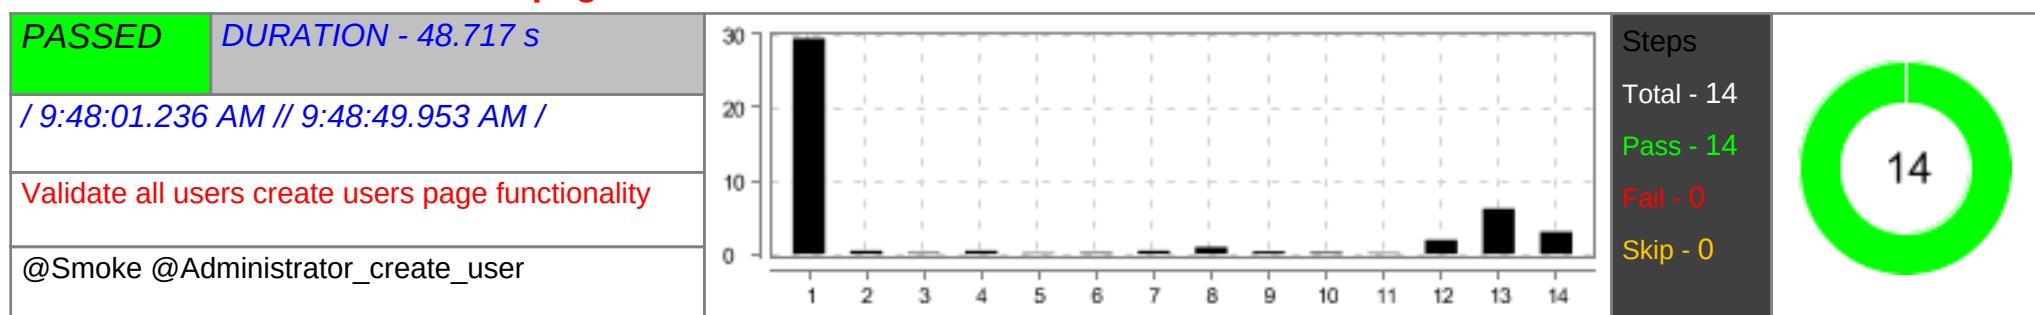

(S)- Validate that create admin user with all valid credential but missing profile image from administrator users all users create users page

#	Step / Hook Details	Status	Duration
1	Given Verify that user is on the administrator dashboard users all users create user page as expected page title "Shield" <code>verify_that_user_is_on_the_administrator_dashboard_users_all_users_create_user_page_as_expected_page_title</code>	PASSED	44.830 s
2	Then Verify that user enter the first name as "Kumar" in create user page <code>verify_that_user_enter_the_first_name_as_in_create_user_page</code>	PASSED	0.190 s
3	Then Verify that user enter the last name as "Deshmane" in create user page <code>verify_that_user_enter_the_last_name_as_in_create_user_page</code>	PASSED	0.232 s
4	Then Verify that user enter the email as "kumar.deshmane@iffort.com" in create user page <code>verify_that_user_enter_the_email_as_in_create_user_page</code>	PASSED	0.782 s
5	Then Verify that user select the country code "UAE" in create user page <code>verify_that_user_select_the_country_code_uae_in_create_user_page</code>	PASSED	0.144 s
6	Then Verify that user enter the mobile number as "987650009" in create user page <code>verify_that_user_enter_the_mobile_number_as_in_create_user_page</code>	PASSED	0.249 s
7	Then Verify that user enter date of birth as "10/10/1925" in the create user page <code>verify_that_user_enter_date_of_birth_as_in_the_create_user_page</code>	PASSED	0.636 s
8	Then Verify that user select the gender as male from the radio button in create user page <code>verify_that_user_select_the_gender_as_male_from_the_radio_button_in_create_user_page</code>	PASSED	0.560 s
9	Then Verify that user enter password as "Admin@1234" in the create user page <code>verify_that_user_enter_password_as_in_the_create_user_page</code>	PASSED	0.211 s
10	Then Verify that user enter confirmed password as same as "Admin@1234" in the create user page <code>verify_that_user_enter_comfirmed_password_as_same_as_in_the_create_user_page</code>	PASSED	0.217 s
11	Then Verify that user select the assigned role as "Admin" in the create user page admin <code>verify_that_user_select_the_assigned_role_as_super_admin_in_the_create_user_page_admin</code>	PASSED	0.095 s

#	Step / Hook Details	Status	Duration
12	Then Verify that the user submit the button should create a new user in the all users page <code>verify_that_the_user_submit_the_button_should_create_a_new_user_in_the_all_users_page</code>	PASSED	1.695 s
13	Then Verify that search button is able to search the user with "kumar.deshmane@iffort.com" name of user in all users page <code>verify_that_search_button_is_able_to_search_the_user_with_name_of_user_in_all_users_page</code>	PASSED	5.660 s
14	Then Verify that user should be able to delete the user from the all users page <code>verify_that_user_should_be_able_to_delete_the_user_from_the_all_users_page</code>	PASSED	2.929 s

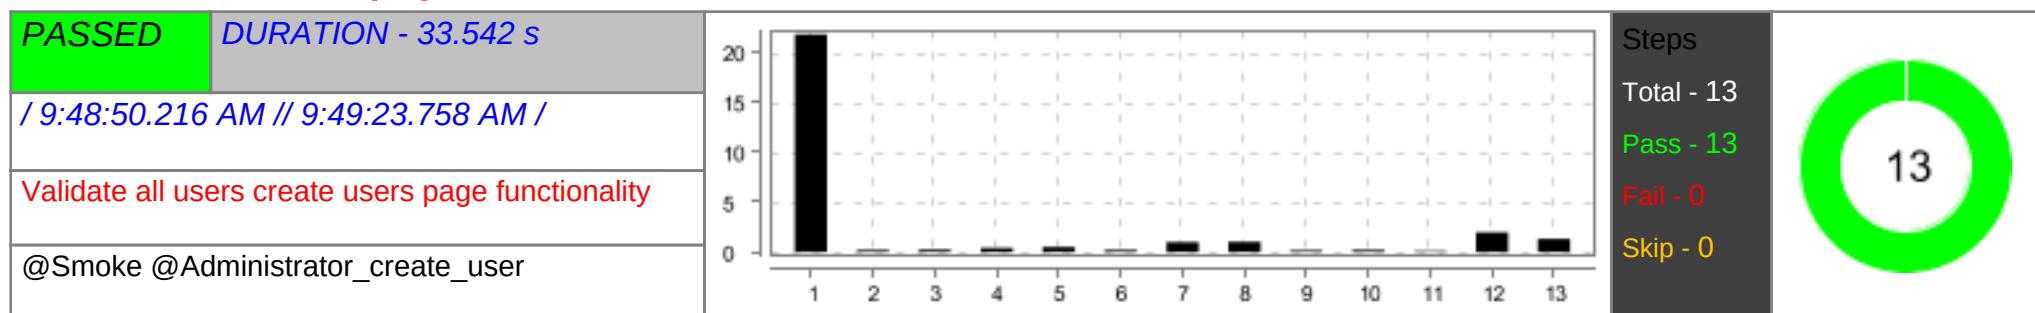

(S)- Validate that create admin user with all valid credential but missing gender selection from administrator users all users create users page

#	Step / Hook Details	Status	Duration
1	Given Verify that user is on the administrator dashboard users all users create user page as expected page title "Shield" <code>verify_that_user_is_on_the_administrator_dashboard_users_all_users_create_user_page_as_expected_page_title</code>	PASSED	29.429 s
2	Then Verify that user enter the first name as "Kumar" in create user page <code>verify_that_user_enter_the_first_name_as_in_create_user_page</code>	PASSED	0.449 s
3	Then Verify that user enter the last name as "Deshmane" in create user page <code>verify_that_user_enter_the_last_name_as_in_create_user_page</code>	PASSED	0.192 s
4	Then Verify that user enter the email as "kumar.deshmane@iffort.com" in create user page <code>verify_that_user_enter_the_email_as_in_create_user_page</code>	PASSED	0.442 s
5	Then Verify that user select the country code "UAE" in create user page <code>verify_that_user_select_the_country_code_uae_in_create_user_page</code>	PASSED	0.148 s
6	Then Verify that user enter the mobile number as "987650009" in create user page <code>verify_that_user_enter_the_mobile_number_as_in_create_user_page</code>	PASSED	0.198 s
7	Then Verify that user enter date of birth as "10/10/1925" in the create user page <code>verify_that_user_enter_date_of_birth_as_in_the_create_user_page</code>	PASSED	0.465 s

#	Step / Hook Details	Status	Duration
8	Then Verify that user send the profile image as jpg in create user page <code>verify_that_user_send_the_profile_image_as_jpg_in_create_user_page</code>	PASSED	0.940 s
9	Then Verify that user enter password as "Admin@1234" in the create user page <code>verify_that_user_enter_password_as_in_the_create_user_page</code>	PASSED	0.356 s
10	Then Verify that user enter confirmed password as same as "Admin@1234" in the create user page <code>verify_that_user_enter_comfirmed_password_as_same_as_in_the_create_user_page</code>	PASSED	0.244 s
11	Then Verify that user select the assigned role as "Admin" in the create user page admin <code>verify_that_user_select_the_assigned_role_as_super_admin_in_the_create_user_page_admin</code>	PASSED	0.117 s
12	Then Verify that the user submit the button should create a new user in the all users page <code>verify_that_the_user_submit_the_button_should_create_a_new_user_in_the_all_users_page</code>	PASSED	1.911 s
13	Then Verify that search button is able to search the user with "kumar.deshmane@iffort.com" name of user in all users page <code>verify_that_search_button_is_able_to_search_the_user_with_name_of_user_in_all_users_page</code>	PASSED	6.180 s
14	Then Verify that user should be able to delete the user from the all users page <code>verify_that_user_should_be_able_to_delete_the_user_from_the_all_users_page</code>	PASSED	3.051 s

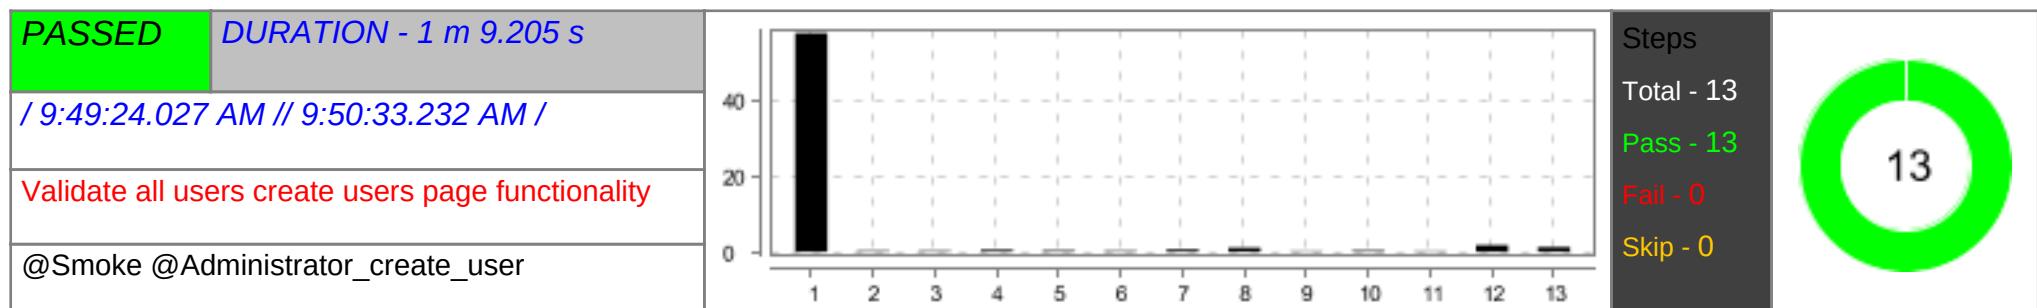

(S)- Validate that create admin user with all valid credential but missing password from administrator users all users create users page

#	Step / Hook Details	Status	Duration

(S)- Validate that email userfield administrator all users create users page

#	Step / Hook Details	Status	Duration
1	Given Verify that user is on the administrator dashboard users all users create user page as expected page title "Shield" verify_that_user_is_on_the_administrator_dashboard_users_all_users_create_user_page_as_expected_page_title	PASSED	18.439 s
2	When user enter email "ashish.upadhyay@iffort.com" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.278 s
3	Then Verify that user should not get the red tick and note below the email user field from create user page verify_that_user_should_not_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	1.159 s
4	When user enter email "kd@iffort.co.uk" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.308 s
5	Then Verify that user should not get the red tick and note below the email user field from create user page verify_that_user_should_not_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.565 s
6	When user enter email "info@iffort.iff.com" and click on submit button from create user page	PASSED	2.127 s

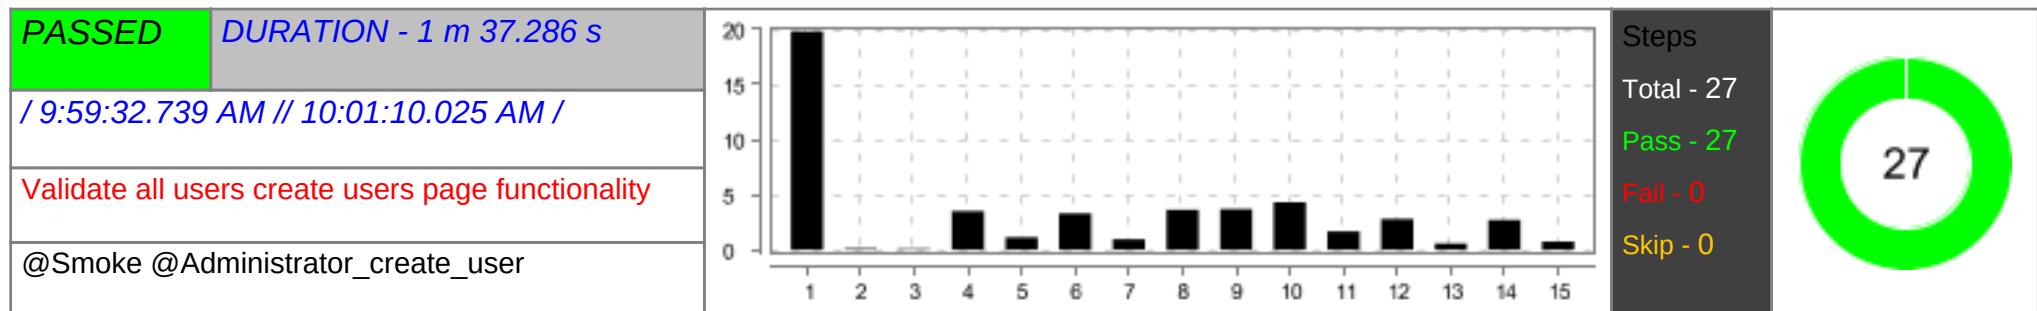

#	Step / Hook Details	Status	Duration
	user_enter_email_and_click_on_submit_button_from_create_user_page		
7	Then Verify that user should not get the red tick and note below the email user field from create user page verify_that_user_should_not_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	1.398 s
8	When user enter email "ashish-upadhyay@iffort.com" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.344 s
9	Then Verify that user should not get the red tick and note below the email user field from create user page verify_that_user_should_not_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	1.004 s
10	When user enter email "ashish+upadhyay@iffort.com" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.163 s
11	Then Verify that user should not get the red tick and note below the email user field from create user page verify_that_user_should_not_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	1.103 s
12	When user enter email with 255 characters and click on submit button from create user page user_enter_email_with_255_characters_and_click_on_submit_button_from_create_user_page	PASSED	4.778 s
13	Then Verify that user should not get the red tick and note below the email user field from create user page verify_that_user_should_not_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	1.303 s
14	When user enter email with 200 characters and click on submit button from create user page user_enter_email_with_200_characters_and_click_on_submit_button_from_create_user_page	PASSED	4.356 s
15	Then Verify that user should not get the red tick and note below the email user field from create user page verify_that_user_should_not_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.974 s
16	When user enter email with 100 characters and click on submit button from create user page user_enter_email_with_100_characters_and_click_on_submit_button_from_create_user_page	PASSED	3.166 s
17	Then Verify that user should not get the red tick and note below the email user field from create user page verify_that_user_should_not_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.858 s
18	When user enter email with 50 characters and click on submit button from create user page user_enter_email_with_50_characters_and_click_on_submit_button_from_create_user_page	PASSED	2.465 s
19	Then Verify that user should not get the red tick and note below the email user field from create user page verify_that_user_should_not_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.596 s
20	When user enter email "abcdefg" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.412 s
21	Then Verify that user should get the red tick and note below the email user field from create user page verify_that_user_should_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.518 s
22	When user enter email "abcdefg@" and click on submit button from create user page	PASSED	2.099 s

#	Step / Hook Details	Status	Duration
	user_enter_email_and_click_on_submit_button_from_create_user_page		
23	Then Verify that user should get the red tick and note below the email user field from create user page verify_that_user_should_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.536 s
24	When user enter email "abcdefg.co.in" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.419 s
25	Then Verify that user should get the red tick and note below the email user field from create user page verify_that_user_should_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.485 s
26	When user enter email "abcdefg@co.123" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.379 s
27	Then Verify that user should get the red tick and note below the email user field from create user page verify_that_user_should_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.664 s
28	When user enter email "abcdefg@co" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.169 s
29	Then Verify that user should get the red tick and note below the email user field from create user page verify_that_user_should_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	1.010 s
30	When user enter email "abcdefg@@@co" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.159 s
31	Then Verify that user should get the red tick and note below the email user field from create user page verify_that_user_should_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.568 s
32	When user enter email "@example.com" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.620 s
33	Then Verify that user should get the red tick and note below the email user field from create user page verify_that_user_should_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	1.171 s
34	When user enter email "abcsdf@.com" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.888 s
35	Then Verify that user should get the red tick and note below the email user field from create user page verify_that_user_should_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.654 s
36	When user enter email "abcsd f@co.com" and click on submit button from create user page user_enter_email_and_click_on_submit_button_from_create_user_page	PASSED	2.656 s
37	Then Verify that user should get the red tick and note below the email user field from create user page verify_that_user_should_get_the_red_tick_and_note_below_the_email_user_field_from_create_user_page	PASSED	0.637 s
38	When user enter email "Kabc.f@co.com" and click on submit button from create user page	PASSED	2.296 s

**(S) Validate that email userfield
administrator all users create users page**

**(F) Validate all users create users page
functionality**

The screenshot shows a 'Create User' form. At the top, there are gender selection options: Male, Female, and Others. Below that is a section titled 'CREDENTIAL INFORMATION' containing two input fields: 'Password*' and 'Confirm Password*'. Both fields have red borders and error messages: 'Please enter your password.' and 'Please confirm your password.' respectively. Below this is a 'Role Information' section with a dropdown menu labeled 'Assigned Roles*' containing 'Super Admin'. At the bottom are 'Submit' and 'Cancel' buttons.
